Bring the whole family to August Fun Fest at Cedar Creek Park!

Cedar Creek Park hosts the annual August Fun Fest on Sunday, August 11, 2013 from 11am to 7pm. There's something for everyone with great food, fun entertainment and lots of children's rides and amusements. This event is free to the public and offers free parking.

Headlining this year's August Fun Fest are Chuck Blasko and the Vogues, performing their classic songs at the amphitheater. Visitors will be singing along to the Vogues' classic harmonies and hits like "Turn Around Look At Me" and "You're The One." Show times are noon and 2pm.

Also featured at August Fun Fest is Doc Swan. Magician, juggler, mind-reader, fire-eater and comedian, Doc Swan will wow audiences with his magical comedy and fun variety acts. No two shows are exactly alike! Doc Swan will be performing at 11:30am, 1:30pm and 3:30pm.

The Road Kings Car Club will be back again to host the August Fun Fest Show Car Cruise! The show features all types of cars up to 2013 models and has been highlighted in Hot Rod News magazine. The show continues to grow every year and hundreds of cars are expected to attend!

Kids can have fun all day with an All Day Ride Pass for only four dollars! Children can purchase the Pass and get unlimited access to all carnival rides, pony rides, kiddie train rides and petting zoo. Other attractions at the festival include an arts and crafts show with over 40 vendors and craftsmen, a flea market, a chainsaw sculptor, bingo, various group demonstrations and a cavalcade of bands that will feature five talented musical groups.

August Fun Fest is a Westmoreland County Bureau of Parks and Recreation special event, and is sponsored by West Penn Power, the Greater Rostraver Chamber of Commerce, the Road Kings Car Club, and the Valley Independent.

Cedar Creek Park is located in Rostraver Township off Route 51, one-quarter mile north of I-70. For more information, please call Westmoreland County Parks and Recreation at (724) 830-3950 or visit www.co.westmoreland.pa.us/parks.
