Green Luncheon to Open with Dedication of New Skate Park Features

Greensburg, PA – Fresh concrete was recently poured and shaped into a snake run - Westmoreland County Parks' newest recreation offering – at Peach Plaza Skate and Action Park in Greensburg.

This exciting new skateboard feature, and its accompanying deep bowl, will be officially unveiled on September 20 at the start of the Westmoreland County Park and Recreation's Green Luncheon.

The Green Luncheon is an annual event honoring those who support Westmoreland County's 10 parks and four hiking/biking trails, and help make new facilities like the $230,000 snake run and skate bowl possible. The new nine-foot-deep bowl is named in honor of its major benefactor, James R. Peach.

The Green Luncheon will be held in the beautiful, brand new outdoor pavilion on Georges Station Road in Greensburg that overlooks Peach Plaza and the other recent recreation additions to Twin Lakes Park, including courses for winter sledding and tubing, a boundless (wheelchair-accessible) playground, the Ferrier Life Trail exercise course, and the Franklin Dog Park.

The general public is invited to attend the Green Luncheon. Tickets are $25 per person and can be obtained by calling Westmoreland County Parks at 724-830-3962 by September 13.

Snake Run Information:

The most fundamental form of all skate park designs, a snake run is a long narrow path or ditch flanked by banks and berms that channel the rider through without pushing. It usually runs into a deeper bowl, which is the case at Peach Plaza, where the new nine-foot-deep James R. Peach Bowl is also being constructed on the site.
