Winter Festival at Twin Lakes Park, Sunday, February 24

The Westmoreland County Parks and Recreation Alliance (WCPRA) is sponsoring its second annual Winter Festival on February 24 at Twin Lakes Park. Event hours are from 1pm-4pm. It will be held at the Twin Lakes Park Expansion Area on George's Station Road. Weather permitting, the sledding and tubing runs, the giant accessible playground, the Franklin Dog Park and the Peach Plaza Skate Park will be open. If the sledding runs are open, bring your own sleds for some winter fun. The festival will offer crafts, raffle items, music, hot dogs, s'mores, hot drinks and more! Also, this year will feature sleigh rides pulled by an official Husky sled-dog team. All proceeds from the event benefit the Westmoreland County Parks Citizens Advisory Board's upcoming March for Parks event on March 23.

The WCPRA is a cooperative organization consisting of representatives from numerous parks and recreation agencies in the county. Their mission is to unite and support area professionals and promote parks & recreation services in Westmoreland County through cooperation, networking, joint programming efforts, and regional development. Westmoreland County Parks and Recreation is a proud member of the Alliance.

The Twin Lakes Park Expansion Area is located east of Greensburg, and is accessible via Donohoe Road from Route 30. Coming from the west on Donohoe Road, turn left on George's Station Road. Then make a right onto Street Park Loop.
