ARTICLE 2 - AUTHORIZATION OF DEBT

Section 2.01. <u>Incurrence</u>. The Local Government Unit does hereby authorize and direct the incurrence of nonelectoral debt in an amount not to exceed the aggregate principal amount of \$55,465,000 for the purposes of the Project; such debt will be evidenced by the Bonds, to be issued, sold and delivered according to the provisions of this Debt Ordinance and the Debt Act, as general obligations of the Local Government Unit.

Section 2.02. <u>Preparation of Debt Statement Exclusion of Indebtedness</u>. The Designated Officers are hereby authorized and directed to prepare and verify under oath or affirmation, according to the requirements of Sections 8002 and 8110 of the Debt Act, the Debt Statement of the Local Government Unit, including therewith a certification of the Borrowing Base, and, if desired, any statements required by Chapter 81, Subchapter B of the Debt Act necessary to qualify all or any portion of this, or any prior outstanding, debt for exclusion from the appropriate debt limit as self-liquidating or subsidized debt; all previous actions of Designated Officers in this regard are hereby ratified and confirmed.

Section 2.03. <u>Proceedings Before the Department</u>. The Designated Officers are hereby further authorized and directed to prepare and file all proceedings of the Local Government Unit relative to this incurrence of debt with the Department of Community and Economic Development and to respond to all inquiries or requests and to perform all other actions necessary to enable the Department to certify its approval to issue, sell and deliver the Bonds.

Section 2.04. Stated Maturity Dates. The Local Government Unit hereby finds and determines that: (1) the Bonds are to be issued with: (a) a final stated maturity date which does not exceed the sooner to occur of forty years or the useful life of the Project; and (b) an initial stated installment or maturity of principal which has not been deferred beyond the later of two years from the date of issuance of the Bonds or of one year from the date of expected completion of the Project; (2) the stated maturities of the Bonds have been fixed either: (a) so as to amortize the Bonds on at least an approximately level debt service plan; or (b) in the alternative, in the event that an Exhibit B has been properlied and is attached to this Debt Ordinance and thereby incorporated by reference herein, so that the debt service on outstanding debt of the Local Government Unit (being the Bonds, together with such other debt as has been identified on Exhibit B) will be brought more nearly into an over-all level annual debt service plan; and (3) with respect to each series of Bonds, the yields on the Bonds have been fixed so that no such yield on any single maturity date during the last two-thirds of the term of the Bonds exceeds the yield of the maturity preceding it.

ARTICLE 3 - SECURITY FOR DEBT; SINKING FUND

Section 3.01. <u>General Obligation Covenant</u>. The Bonds will be general obligations of the Local Government Unit. The Local Government Unit hereby covenants with the owners from time to time of the Bonds to: (a) include the amount necessary to service the debt on the Bonds, for each fiscal year in which such sums are payable, in its budget for that year; (b) appropriate such amounts from its general revenues to the payment of the debt service; and (c) duly and punctually pay, or cause to be paid, from its Sinking Fund or from any other of its revenues or funds, the principal of and the interest on the Bonds at the dates and place and in the manner stated in the Bonds, according to the intent and meaning thereof.

For such budgeting, appropriation and payment of the Bonds, the Local Government Unit hereby irrevocably pledges its full faith, credit and taxing power. The maximum amounts of debt service hereby covenanted to be paid are set forth in Exhibit A, attached to this Debt Ordinance and incorporated by reference herein.

As provided in the Debt Act, the foregoing covenants are specifically enforceable. Notwithstanding the foregoing, nothing contained herein prohibits or restrains the authorization, issuance, sale or delivery of additional general obligation bonds or notes of the Local Government Unit on a parity with this Series of Bonds, upon adoption of an appropriate covenant to budget, appropriate and pay additional taxes and other revenues and funds for the payment and security of such additional obligations.

Section 3.02. <u>Creation of Sinking Fund</u>. The Local Government Unit does hereby create, and order to be established (in its name and identified by reference to the Series of Bonds), a Sinking Fund (or Sinking Funds, as appropriate) for the payment of the Bonds with the Sinking Fund Depository, and does further covenant to maintain such Sinking Fund until the Bonds are paid in full. The Designated Officer is hereby authorized and directed to contract with the Sinking Fund Depository for its services in such capacity, together with its services as Paying Agent and Registrar for the Bonds.

Section 3.03. Deposits into Sinking Fund. The Local Government Unit covenants with the owners of the Bonds, and a Designated Officer (according to the duties specified in Section 8223 of the Debt Act) is hereby authorized and directed, to withdraw from the General Fund (or in the event debt service charges have been capitalized, from any Project fund hereafter established with the proceeds of the Bonds, as authorized in Section 11.04) and to deposit into the Sinking Fund on or before the appropriate Interest Payment Dates (or as and when otherwise due by their terms and in order to provide same-day, available funds for timely payment), amounts sufficient to pay: (a) the interest on the Bonds then outstanding; and (b) the principal of the Bonds then maturing or subject to redemption on each such Interest Payment Date as set forth in Section 3.01.

Section 3.04. <u>Investment of Sinking Fund</u>. All moneys in the Sinking Fund not required for prompt expenditure may, in accordance with written or telephonic (if subsequently confirmed in waiting according to the reasonable practices and requests of the Sinking Fund Depository) instructions of a Designated Officer, be invested in Authorized Investments.

Authorized investments must mature or must be subject to redemption, withdrawal or collection in their full amount at the option of the Sinking Fund Depository not later than the date upon which moneys are required to be paid to owners of the Bonds. All moneys in the Sinking Fund must be applied exclusively to the payment of the Bonds as they become due and payable. All moneys deposited into the Sinking Fund and all investments and proceeds thereof will be subject to a perfected security interest for the benefit of the owners of the Bonds. Income received from any deposit or investment within the Sinking Fund must remain within and be a part of the Sinking Fund and all such amounts may be applied in reduction or completion of any amount: covenanted under Section 3.01 hereof to be deposited therein; provided, however, that the obligation of the Local Government Unit to pay the Bonds is, and will remain, absolute, and may not be satisfied or reduced merely by the deposit of moneys into the Sinking Fund or from the expectation of earnings thereon.

- END OF ARTICLE 3 -

ARTICLE 4 - TERMS AND PROVISIONS OF THE BONDS

Section 4.01. <u>Dates, Maturity Amounts and Interest Rates</u>. The Bonds will be identified by the Dated Date, will be dated as of the Authentication Dates, will bear (or accrue) interest not to exceed the rate(s) (or yield(s)), payable or compounded on the appropriate Interest Payment Dates, and will mature on the Maturity Dates and in such principal amounts as shall not exceed the principal amounts (or maturity amounts) set forth in Section 3.01.

Section 4.02. <u>Optional Redemption</u>. The Bonds scheduled to mature on a date after the Optional Redemption Date may be redeemed prior to maturity at the option of the Local Government Unit (a) in whole, on the Optional Redemption Date or on any date thereafter, or (b) in part, from time to time, on the Optional Redemption Date or on any date thereafter, by lot within a maturity, upon payment of the applicable Redemption Price.

Section 4.03. <u>Mandatory Redemption</u>. Term Bonds (if any) shall be redeemed prior to maturity by the Sinking Fund Depository without further authorization on the appropriate Mandatory Redemption Dates and in the appropriate principal amounts set forth in Article I and in Section 3.01 hereof upon payment of the applicable Redemption Price.

Section 4.04. <u>Book Entry System</u>. The Bonds will be issued in denominations of \$5,000 or any multiple thereof initially in the form of one fully registered bond for the aggregate principal amount of the Bonds of each maturity, which Bonds will be registered in the name of Cede & Co., as nominee of the Depository Trust Company, New York, New York ("DTC"). Initially, all of the Bonds will be registered in the name of Cede & Co., as nominee of DTC; provided that if DTC requests that the Bonds be registered in the name of a different nominee, the Sinking Fund Depository must exchange all or any portion of the Bonds for an equal aggregate principal amount of Bonds registered in the name of such nominee of DTC. No person other than DTC or its nominee is entitled to receive from the Local Government Unit or the Sinking Fund Depository either a Bond or any other evidence of ownership of the Bonds, or any right to receive any payment in respect thereof unless DTC or its nominee transfers record ownership of all or any portions of the Bonds on the Register (as such term defined in Section 4.08), in connection with discontinuing the book entry system.

So long as the Bonds or any portion thereof are registered in the name of DTC or any nominee thereof, all payments of the principal or redemption price of or interest on such Bonds will be made to DTC or its nominee in immediately available funds on the dates provided for such payments in this Ordinance. Each such payment to DTC or its nominee will be valid and effective to discharge fully all liability of the Local Government Unit or the Sinking Fund Depository with respect to the principal or redemption price of or interest on the Bonds to the extent of the sum or sums so paid. In the event of the redemption of less than all of the Bonds outstanding of any maturity, the Sinking Fund Depository will not require surrender by DTC or its nominee of the Bonds so redeemed, but DTC (or its nominee) may retain such Bonds and make an appropriate notation on the Bond certificate as to the amount of the partial redemption provided that DTC must deliver to the Sinking Fund Depository, upon request, a written confirmation of the partial redemption and thereafter the records maintained by the Sinking Fund Depository will be conclusive as to the amount of the Bonds of such maturity which have been redeemed.

The Local Government Unit and the Sinking Fund Depository may treat DTC (or its nominee) as the sole and exclusive owner of the Bonds registered in its name for the purposes of payment of the principal or redemption price of or interest on the Bonds, selecting the Bonds or portions thereof to be redeemed, giving any notice permitted or required to be given to Registered Owners under this Ordinance, registering the transfer of Bonds, obtaining any consent or other action to be taken by Registered Owners and for all other purposes whatsoever; and neither the Local Government Unit nor the Sinking Fund Depository will be affected by any notice to the contrary. Neither the Local Government Unit nor the Sinking Fund Depository will have any responsibility or obligation to any participant in DTC, any person claiming a beneficial ownership interest in the Bonds under or through DTC or any such participant, or any other person which is not shown on the Register as being Registered Owner, with respect to either (1) the Bonds; or (2) the accuracy of any record maintained by DTC or any such participant; or (3) the payment by DTC or any participant of any amount in respect of the principal or redemption price of or interest on the Bonds; or (4) any notice which is permitted or required to be given to Registered Owners under this Ordinance; or (5) the selection by DTC or any participant of any person to receive payment in the event of partial redemption of the Bonds; or (6) any consent given or other action taken by DTC as Registered Owner.

So long as the Bonds or any portion thereof are registered in the name of DTC or any nominee thereof, all notices required or permitted to be given to the Registered Owners under this Ordinance will be given to DTC as provided in the blanket representation letter previously delivered to DTC.

In connection with any notice or other communication to be provided to Registered Owners pursuant to this Ordinance by the Local Government Unit or the Sinking Fund Depository with respect to any consent or other action to be taken by Registered Owners, DTC will consider the date of receipt of notice requesting such consent or other action as the record date for the consent or other action, provided that the Local Government Unit or the Sinking Fund Depository may establish a special record date for such consent or other action. The Local Government Unit or the Sinking Fund Depository must give DTC notice of the special record date not less than 10 days in advance of such special record date.

Any successor Sinking Fund Depository must, in its written acceptance of its duties under this Ordinance, agree to take any actions necessary from time to time to comply with the requirements of the representation letter.

The book-entry system for registration of the ownership of the Bonds may be discontinued at any time if either: (1) after notice to the Local Government Unit and the Sinking Fund Depository, DTC determines to resign as securities Depository for the Bonds; or (2) after notice to DTC and the Sinking Fund Depository, the Local Government Unit determines that a continuation of the system of book-entry transfers through DTC (or through a successor securities depository) is not in the best interest of the Local Government Unit. In either of such events (unless in the case described in clause (2) above, the Local Government Unit appoints a successor securities depository), the Bonds will be delivered in registered certificate form to such persons, and in such maturities and principal amounts, as may be designated by DTC, but without any liability on the part of the Local Government Unit or the Sinking Fund Depository for the accuracy of such designation. Whenever DTC requests the Local Government Unit and the Sinking Fund Depository to do so, the Local Government Unit and the Sinking Fund Depository must cooperate with DTC in taking appropriate action after reasonable notice to arrange for another securities depository to maintain custody of certificates evidencing the Bonds. The Bonds will also carry CUSIP numbers as a convenience to owners.

Section 4.05. Interest Payments: Accrual. The Bonds will bear interest, payable in arrears, initially on the First Interest Payment Date and then on each Interest Payment Date subsequent for the respective preceding period; provided, further, that interest may be paid from an Interest Payment Date next preceding the date of a Bond except when the date of such Bond is a date to which interest has been so paid, then from the date of such Bond, or when either (1) the date of such Bonds is prior to the First Interest Payment Date, or (2) no interest has been paid, then from the Dated Date.

Section 4.06. Record Date Payments on Default. The person in whose name any Bond is registered at the close of business on any Record Date with respect to any Interest Payment Date, Redemption Date or Maturity Date will be entitled to receive the amounts payable on such payment date notwithstanding the cancellation of such Bond upon any transfer or exchange thereof subsequent to the Record Date and prior to such payment date.

When, if and to the extent, the Local Government Unit defaults on the payment of any amount due, any moneys collected for such payment, as and when collected from time to time, may be paid to the persons in whose names Bonds are registered at the close of business on a Special Record Date established by the Sinking Fund Depository, notice of which must be mailed to all Registered Owners of Bonds not less than ten days prior to the Special Record Date.

Section 4.07. Funds for Payment. The Bonds will be payable at the offices of the Sinking Fund Depository in the coin or currency of the United States of America that is legal tender for the payment of public and private debts at the time and place of payment; provided, however, in the absence of written demand for such payment by the Registered Owner, received by the Sinking Fund Depository not later than the Record Date, all payments of interest on the Bonds will be made by check or draft drawn on the Sinking Fund Depository and mailed, first class, postage prepaid, to the owner at the address that appears in the Register, and payment of principal will be made in like manner, following presentation at the offices of the Sinking Fund Depository.

Section 4.08. <u>Registration and Transfer</u>. The Local Government Unit shall cause to be kept with the Sinking Fund Depository, in its capacity as Registrar, a Register in which, subject to reasonable regulations, the Local Government Unit will provide for the registration of Bonds and the registration of transfers and exchanges of Bonds. No transfer or exchange of any Bond will be valid unless made at the offices of the Sinking Fund Depository and registered in the Register, subject, in all events, to the provisions of Section 4.04 hereof.

Upon surrender for registration of transfer of any Bond, the Local Government Unit must execute, and the Sinking Fund Depository will authenticate and deliver in the name of the transferee or transferees, a new Bond or Bonds of any authorized denomination, of the same yield and maturity, and in the same principal amount, as the Bond so surrendered.

Any Bond will be exchangeable for other Bonds of the same yield and maturity, in any authorized denomination, in the same principal amount as the Bond or Bonds presented for exchange. Upon surrender for exchange of any Bond, the Local Government Unit must execute, and the Sinking Fund Depository must authenticate and deliver in exchange therefor, the new Bond or Bonds which the Registered Owner making the exchange is entitled to receive.

All Bonds issued upon any registration of transfer or exchange will be valid obligations of the Local Government Unit, evidencing the same indebtedness and entitled to the same benefits under this Debt Ordinance as the Bonds surrendered for such registration of transfer or exchange. All Bonds so surrendered must be cancelled and may be destroyed by the Sinking Fund Depository.

Every Bond presented or surrendered for registration of transfer or exchange must be duly endorsed, or be accompanied by a written instrument of transfer, in form and with guaranty of signature satisfactory to the Local Government Unit and the Sinking Fund Depository, duly executed by the owner thereof or the duly authorized agent or legal representative of the owner.

No service charge will be imposed on any Registered Owner for any transfer or exchange of any Bond, but the Local Government Unit may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Bonds.

Neither the Local Government Unit, nor the Sinking Fund Depository, will be required to: (a) issue, or register the transfer or exchange of, any Bond during a period of fifteen (15) business days before any date of selection of Bonds to be redeemed; or (b) register the transfer or exchange of any Bond after it has been selected for redemption.

The Bonds will be initially registered in accordance with instructions submitted to the Sinking Fund Depository by the Purchaser.

Section 4.09. Execution and Authentication. The Bonds will be executed on behalf of the Local Government Unit by the Designated Officers, and will have a facsimile of the corporate seal of the Local Government Unit affixed thereto, duly attested. The Bonds will be authenticated by the manual execution of the Certificate of Authentication by a duly authorized officer of the Sinking Fund Depository.

No Bond will be valid until the Certificate of Authentication has been duly executed and such authentication will be the conclusive and only proof that any Bond has been issued pursuant to, and is entitled to any benefits conferred under, the provisions of this Debt Ordinance. To the extent that any one signature on a Bond (including the signature of the officer of the Sinking Fund Depository) is manual, all other signatures may be by facsimile.

Section 4.10. Notices, Selection of Bonds for Redemption. Notice of redemption shall be given by first class mail, postage prepaid, not less than 30 nor more than 60 days prior to the applicable redemption date, to the Registered Owners of Bonds to be redeemed at the addresses which appear in the Bond Register on the fifth business day preceding the date selected for the mailing of such notice and to the Rating Agency, and the Insurer, if any. Neither failure to mail such notice nor any defect in the notice so mailed or in the mailing thereof with respect to any one Bond shall affect the validity of the proceedings for the redemption of any other Bond. If the Local Government Unit shall have duly given notice of redemption and shall have deposited funds for the payment of the Redemption Price of the Bonds with the Sinking Fund Depository, interest on such Bonds shall cease to accrue after such redemption date.

Notices of redemption shall be dated and shall state: (a) the redemption date; (b) the Redemption Price; (c) if less than all outstanding Bonds are to be redeemed, the identification numbers and the respective maturity amounts of the Bonds to be redeemed; (d) the applicable CUSIP numbers of the Bonds called for redemption (if then generally in use, but shall state that no representation is made as to the correctness of such numbers either as printed on the Bonds or as contained in the notice and that reliance may be placed only on the identification numbers printed on the Bonds); (e) that on the redemption date the Redemption Price will become due and payable upon each such Bond or portion thereof called for redemption, and that interest thereon shall cease to accrue from and after said date; and (f) that such Bonds are to be surrendered for payment at the designated corporate trust office of the Sinking Fund Depository.

If less than all Bonds maturing on any one date are to be redeemed at any time, the Sinking Fund Depository shall select by lot the Bonds to be redeemed at such time.

Any portion of any Bond of a denomination larger than \$5,000 may be redeemed, but only in the principal amount of \$5,000 or any integral multiple thereof. Prior to selecting Bonds for redemption, the Sinking Fund Depository shall assign numbers to each \$5,000 portion of any Bond of a denomination larger than \$5,000 and shall treat each portion as a separate Bond in the denomination of \$5,000 for purposes of selection for redemption. Upon surrender of any Bond for redemption of a portion thereof, the Sinking Fund Depository shall authenticate and deliver to the owner thereof a new Bond or Bonds of the same maturity and in any authorized denominations requested by the owner in a principal amount equal to the unredeemed portion of the Bond surrendered.

Section 4.11. Temporary Bonds. Bonds in definitive form must be fully engraved or printed or lithographed on steel-engraved borders. Until bonds in definitive form are ready for delivery, the Local Government Unit may execute, and upon request the Sinking Fund Depository must authenticate and deliver, in lieu thereof and subject to the same provisions, limitations and conditions, one or more printed, lithographed or typewritten bonds in temporary form, substantially in the form described in Section 4.13, and with appropriate omissions, variations and insertions. Until exchanged for bonds in definitive form, such bonds in temporary form will be valid obligations entitled to the benefit of this Debt Ordinance. The Local Government Unit must, without unreasonable delay, prepare, execute and deliver to the Sinking Fund Depository, and thereupon, upon the presentation and surrender of any bond or bonds in temporary form, the Sinking Fund Depository shall authenticate and deliver, in exchange therefor, a bond or bonds in definitive form of the same maturity for the same aggregate maturity amount as the bond or bonds in temporary form surrendered. Such exchange will be made by the Local Government Unit at its own expense and without making any charge therefor.

Section 4.12. <u>Bonds Lost or Destroyed</u>. Upon receipt by the Local Government Unit and the Sinking Fund Depository of evidence satisfactory to both of them that any outstanding Bond has been mutilated, destroyed, lost or stolen, and of indemnity satisfactory to both of them, the Local Government Unit may, in its discretion, execute and thereupon the Sinking Fund Depository must authenticate and deliver a new Bond of the same maturity and of like tenor in exchange and substitution for, and upon surrender and cancellation of, the mutilated Bond, or in lieu of and in substitution for the Bond so destroyed, lost or stolen.

The Local Government Unit may, for each new Bond authenticated and delivered under the provisions of this Section, require the payment of expenses, including counsel fees. Any Bond issued under the provisions of this Section in lieu of any Bond alleged to be destroyed, lost or stolen, will constitute an original additional and independent contractual obligation on the part of the Local Government Unit whether or not the Bond so alleged to be destroyed, lost or stolen is at any time enforceable by anyone, and will be equally and proportionately entitled to the benefits of this Debt Ordinance with all other Bonds issued hereunder and all limitations and debt limits imposed by the Debt Act will be increased to the extent necessary to validate such new Bonds.

Section 4.13. Form of the Bonds. The Bonds will be substantially in the following form(s):

This Bond is one of a duly authorized series of bonds, designated "General Obligation Bonds, [Tax-Exempt][Federally Taxable] Series [A/B] of 2013" of the Local Government Unit (the "Bonds"), issued in accordance with the Local Government Unit Debt Act of the General Assembly of the Commonwealth of Pennsylvania, as codified by the Act of December 19, 1996 (P.L. 1158, No. 177), (the "Debt Act"), pursuant to all the terms and provisions of the formal action of the Local Government Unit (the "Debt Ordinance"), and with the approval of the Department of Community and Economic Development of the Commonwealth of Pennsylvania.

Interest payable on any Interest Payment Date will be paid to the person in whose name this Bond is registered at the close of business on the May 15 and November 15 (the "Record Date") immediately preceding the applicable Interest Payment Date. Any such interest which is not deposited with the Sinking Fund Depository on or before any such Interest Payment Date for payment to the Registered Owner of record on the Record Date shall forthwith cease to be payable to such Registered Owner on the Record Date, and will be paid to the person in whose name this Bond is registered on a Special Record Date for the payment of such defaulted interest to be fixed by the Sinking Fund Depository, notice of which will be given to all Registered Owners not less than 10 days prior to such Special Record Date.

The Bonds maturing after December 1, 20_ are subject to redemption at the option of the Local Government Unit prior to their stated Maturity Dates, as a whole or in part from time to time, by lot within a maturity, on _______, 20_ and on any date thereafter, upon payment of the Redemption Price of 100% of the principal amount thereof, together with interest accrued to the date fixed for redemption.

The Bonds maturing on December 1, 20_ are subject to mandatory redemption prior to their stated Maturity Dates, on December 1 of the years 20_, 20_, and 20_, in the amounts provided in the Debt Ordinance, upon payment of the Redemption Price of 100% of the principal amount thereof, together with interest accrued to the date fixed for redemption.

If less than all Bonds maturing on any one date are to be redeemed at any time, the Bonds to be called for redemption at such time will be chosen by the Sinking Fund Depository, by lot.

Notice of redemption of any Bond will be given to the Registered Owner of such Bond by first class mail, not less than thirty (30) nor more than sixty (60) days prior to the redemption date, all in the manner and upon the terms and conditions set forth in the Debt Ordinance. A portion of a Bond of a denomination larger than \$5,000 may be redeemed, and in such case, upon the surrender of such Bond, there will be issued to the Registered Owner thereof, without charge therefor, a registered Bond or Bonds for the unredeemed balance of the principal amount of such Bond, all as more fully set forth in the Debt Ordinance. If notice of redemption has been duly given, the Bonds or portions thereof specified in that notice become due and payable at the applicable Redemption Price on the designated redemption date, and if, on such date, moneys are held by the Sinking Fund Depository for the payment of the Redemption Price of the Bonds to be redeemed, together with interest to the date fixed for redemption, then from and after such date interest on such Bonds ceases to accrue.

The Local Government Unit, pursuant to recommendations made by the Committee on Uniform Security Identification Procedures, has caused CUSIP numbers to be printed on the Bonds, and has directed the Sinking Fund Depository to use such numbers in notices of redemption and other notices, if any, as a convenience to the Registered Owners of the Bonds. No representation is made as to the accuracy of such numbers either as printed on the Bonds or as contained in any notice and reliance may be placed only on the identification number printed hereon.

This Bond may be transferred or exchanged only on the Register maintained by the Local Government Unit at the offices of the Sinking Fund Depository upon its surrender by the Registered Owner at such office duly endorsed by, or accompanied by a written instrument of transfer duly executed by, the Registered Owner or a duly authorized agent or legal representative of the Registered Owner, in each case, in form and with a guaranty of signature satisfactory to the Local Government Unit and the Sinking Fund Depository. No service charge will be imposed on any Registered Owner of any Bond for any transfer or exchange of any Bond, but the Local Government Unit may require, payment of any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Bonds.

The Local Government Unit is not required to register the transfer or exchange of any Bond: (a) during the period of fifteen (15) business days before any (i) date of selection of Bonds to be redeemed or (ii) date of maturity; or (b) after such Bond, has been selected for redemption.

ARTICLE 5 - CONCERNING THE SINKING FUND DEPOSITORY

Section 5.01. <u>Maintenance of Sinking Fund</u>. The Sinking Fund Depository will maintain the Sinking Fund as a separate account, and will, without further authorization other than as herein contained, pay, from moneys therein, the principal of, interest on and premium, if any, on the Bonds, as and when due, to the Registered Owners thereof.

Section 5.02. <u>Unclaimed Funds</u>. The Sinking Fund Depository will return to the Local Government Unit all moneys deposited and held in a Sinking Fund for the payment of Bonds which have not been claimed by the Registered Owners after two years from the date when payment is due, except where such funds are held for the payment of outstanding checks, drafts or other instruments of the Sinking Fund Depository. Nothing in this Section or by reason of any action taken hereunder will relieve the Local Government Unit of its liability for payment to the Registered Owners of unpresented Bonds.

Section 5.03. <u>Registration Agents</u>. In the event the Bonds are qualified by the Purchaser, or are otherwise determined to be eligible, for the deposit, book-entry, withdrawal and other related services of The Depository Trust Company (or another or additional recognized bond registration agent performing similar services), the Sinking Fund Depository must undertake and perform those additional duties which may be required of it in order to enable The Depository Trust Company (or other similar agent) to perform such services for its Participants, including the processing of transfers of registration within necessary time periods, the payment of Bonds by acceptable fund transfers and the delivery of adequate redemption and other payment notices.

Section 5.04. <u>Liability of Sinking Fund Depository</u>. The Sinking Fund Depository may exercise any of the powers or perform any duty hereunder by or through attorneys, agents, receivers or employees, and it will not be answerable or accountable for any act, default, neglect or misconduct of any such attorney, agent, receiver or employee, if reasonable care has been exercised in the appointment and retention of such person, nor shall the Sinking Fund Depository be otherwise answerable or accountable under any circumstances whatever in connection with such powers or duties, except for its own gross negligence or willful misconduct. The Sinking Fund Depository will be protected and will incur no liability in relying, acting or proceeding in good faith upon any notice, request, order, certificate, report, opinion, statement, affidavit, voucher, or other paper or document believed by it to be genuine and to have been signed, passed or presented by the proper person, nor be bound to make any investigation into the matters stated therein. However, the Sinking Fund Depository may, at any time in its discretion, require of the Local Government Unit full information and advice as to the above as well as to the performance of any of the covenants, conditions and agreements in bebt Ordinance and may further make or cause to be made independent investigations, at the expense of the Local Government Unit, concerning its affairs. The Sinking Fund Depository may consult with legal counsel to be selected and employed by it and the opinion of such counsel will be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in good faith and in accordance with the opinion of such counsel.

Section 5.05. Ownership of Bonds. The Sinking Fund Depository, in its individual capacity or as a fiduciary, may become the owner of Bonds, with the same rights it would have if it were not the Sinking Fund Depository. The Sinking Fund Depository may also engage in, or be interested in, any financial or other transaction with the Local Government Unit not in derogation of the rights of the Registered Owners of the Bonds.

Section 5.06. <u>Interpretation</u>. The Sinking Fund Depository may construe any of the provisions of this Debt Ordinance insofar as it may appear to be ambiguous or inconsistent with any other provision hereof, and any construction of any such provisions hereof by the Sinking Fund Depository in good faith will be binding upon the Registered Owners of the Bonds.

Section 5.07. Fees and Expenses. The Sinking Fund Depository will be paid such initial and periodic fees for its services and reimbursed for such expenses, as are specified in those proposals and other communications made to and received by the Local Government Unit in connection with the Bonds, if any, or, in all events, according to its usual, customary and reasonable schedule of fees and other charges.

Section 5.08. Removal: Resignation. The Sinking Fund Depository will serve in such capacity at the will of the Local Government Unit and may be removed, at any time, with or without cause, by the appointment of a qualified successor and upon sixty (60) days written notice to the Registered Owners of the Bonds and to the Sinking Fund Depository. Moreover, but if, and only in the event that, the payment of the Bonds has been insured to the Registered Owners thereof by a duly issued and outstanding Bond Insurance Policy, then the Sinking Fund Depository and any successor must be, and remain at all times, acceptable to the Insurer, who will be empowered to request the appointment of a successor for cause shown. The Sinking Fund Depository may at any time resign and be discharged of the trust hereby created by giving not less than sixty (60) days written notice to the Local Government Unit and the Registered Owners, specifying the date when the resignation will take effect, in the manner required for bond redemption notices in Section 4.10 hereof, and such resignation shall take effect upon the day specified in such notice, unless previously a successor Sinking Fund Depository has been appointed by the Local Government Unit as hereinbefore provided, in which event the resignation will take effect immediately on the appointment of the successor.

Section 5.09. <u>Duties upon Default</u>. If the Local Government Unit fails or refuses to make any required deposit in the Sinking Fund, the Sinking Fund Depository shall (a) independent of events and actions of Registered Owners, any trustee or any court or administrative or judicial officer undertaken or occurring pursuant to the provisions of Article 6 hereof: (1) notify the Department of Community and Economic Development of the failure or refusal, in order to facilitate an inspection of the Sinking Fund by the Department pursuant to Section 8226 of the Debt Act; and (2) notify the Insurer, if any; and (b) in conjunction with such events and actions under Article 6 hereof, may, and upon request of the Registered Owners of twenty-five percent (25%) in principal amount of outstanding Bonds and upon being indemnified against cost and expense must, exercise any remedy, provided in Article 6 of this Debt Ordinance, in the Debt Act or at law or in equity, for the equal and ratable benefit of the Registered Owners of the outstanding Bonds, and must disburse all funds so collected equally and ratably to the Registered Owners thereof pursuant to the requirements of Subchapter D of Chapter 82 of the Debt Act.

Notwithstanding the foregoing, however, if, and only in the event, the payment of the Bonds has been insured to the Registered Owners by a duly issued and outstanding Bond Insurance Policy, then the Sinking Fund Depository will diligently seek recovery of funds for the payment of the Bonds from the Insurer according to the terms of the Bond Insurance Policy and, in the event the terms of the Bond Insurance Policy are being fully met and satisfied by the Insurer, then the Sinking Fund Depository may undertake the remedies provided in subparagraph (b) of this Section 5.09 only after notice to, and with the consent of, the Insurer.

ARTICLE 6 - DEFAULTS AND REMEDIES

Section 6.01. Failure to Budget Debt Service. Subject to the provisions of Section 6.06, if applicable if the Local Government Unit fails or refuses to make adequate provision in its budget for any fiscal year for the sums payable in respect of the Bonds, then at the suit of the Registered Owner of any Bond, the Court of Common Pleas of the Local Government Unit shall after a hearing held upon such notice to the Local Government Unit as the Court may direct, and upon a finding of such failure or neglect, by writ of mandamus, require the Designated Officer to pay into the Sinking Fund the first tax moneys or other available revenues or moneys thereafter received in such fiscal year by the Designated Officer until the sum on deposit in the Sinking Fund is equal to the moneys that should have been budgeted or appropriated for the Bonds.

Section 6.02. <u>Failure to Pay Principal or Interest</u>. Subject to the provisions of Section 6.06, if applicable, if the Local Government Unit fails or neglects to pay or cause to be paid the interest or principal on any of the Bonds, when due and payable, and the failure continues for thirty (30) days, the Registered Owner thereof shall, subject to any appropriate priorities created under the Debt Act, have the right to recover the amount due in an action in assumpsit in the Court of Common Pleas of the county in which the Local Government Unit is located (or, if located in more than one county, then of either). The judgment recovered will have an appropriate priority upon the moneys next coming into the treasury of the Local Government Unit.

Section 6.03. Trustee for Registered Owners.

- (a) Subject to the provisions of Section 6.06, if applicable, but notwithstanding any other provision in this Debt Ordinance, if the Local Government Unit defaults in the payment of the principal of or the interest on the Bonds after the same shall become due, and such default shall continue for thirty (30) days, or if the Local Government Unit fails to comply with any provision of the Bonds or this Debt Ordinance, the Registered Owners of twenty-five percent in aggregate principal amount of the Bonds then outstanding, by an instrument or instruments filed in the office for the recorder of deeds in the county in which the Local Government Unit is located, signed and acknowledged in the same manner as a deed to be recorded, may appoint a trustee, who may be the Sinking Fund Depository, to represent the Registered Owners of all such bonds or notes, and such representation shall be exclusive for the purposes herein provided.
- (b) Such trustee, may, and upon written request of the Registered Owners of twenty-five percent in principal amount of the Bonds then outstanding and upon being furnished with indemnity satisfactory to it must, in his, her or its own name take one or more of the actions set forth below and the taking of such actions will preclude similar action whether previously or subsequently initiated by individual Registered Owners of the Bonds:
 - (1) By mandamus or other suit, action or proceeding at law or in equity, enforce all rights of the Registered Owners of the Bonds or require the Local Government Unit to carry out any other agreement with the Registered Owners of the Bonds;
 - (2) Bring suit on the Bonds without the necessity for producing them;
 - (3) Petition the Court to levy, and the Court is hereby empowered to levy, after a hearing upon such notice to the owners of assessable real estate as the Court may prescribe, the amount due before or after the exercise of any right of acceleration on the Bonds plus estimated costs of collection upon all taxable real estate and other property subject to ad valorem taxation within the Local Government Unit, in proportion to the value thereof as assessed for tax purposes, and the trustee may collect, or cause the Local Government Unit to collect, such amounts as by foreclosure of a mortgage or security interest on the realty or other property if not paid on demand. Any assessment levied pursuant hereto will have the same priority and preference, as against other liens or mortgages on the real estate or security interests in fixtures thereon or other property, as a lien for unpaid taxes;
 - (4) By suit in equity, enjoin any acts or things which may be unlawful or in violation of the rights of the Registered Owners of the Bonds;
 - (5) After thirty (30) days prior written notice to the Local Government Unit, declare the unpaid principal of all the Bonds to be, and it will thereby become, forthwith due and payable with interest at the rates stated in the Bonds until final payment (and, if all defaults are made good, then to annul such declaration and its consequences).

- (c) If the Sinking Fund Depository is willing to serve and exercise the powers conferred upon a trustee appointed by this Section 6.03, no trustee appointed in the manner provided in this Section will have the powers herein set forth unless the appointment under this Section was executed by or pursuant to the authority of the Registered Owners of a principal amount of such Bonds sufficient to remove the originally appointed trustee.
- (d) Proof of ownership of Bonds and of execution of instruments relative thereto must be made according to the provisions of Section 8114 of the Debt Act.

Section 6.04. Costs of Suits or Proceedings. In any suit, action or proceeding by or on behalf of the Registered Owners of defaulted Bonds, the fees and expenses of a trustee or receiver, including operating costs of a project and reasonable counsel fees, will constitute taxable costs, and all such costs and disbursements allowed by the court will be deemed additional principal due on the Bonds, and will be paid in full from any recovery prior to any distribution to the Registered Owners of the Bonds.

Section 6.05. <u>Distribution of Moneys Realized for Registered Owners.</u> Moneys or funds collected for the Registered Owners of defaulted Bonds will, after the payment of costs and fees as provided in Section 6.04, be applied by the trustee or receiver as follows:

- (a) Unless the principal of all the Bonds has become or has been declared due and payable, (i) to the payment to the Registered Owners entitled thereto of all installments of interest then due in the order of their respective due dates and, if the amount available is not sufficient to pay any installment in full, then to the payment ratably according to the amounts due on such installment, to the Registered Owners entitled thereto, without any discrimination or preference; and (ii) to the payment to the Registered Owners entitled thereto of the unpaid principal of any Bonds which has become due, whether at stated Maturity Dates or by call for redemption, in the order of their respective due dates, and if the amount available is not sufficient to pay in full all the Bonds due on any date, then to the payment ratably, according to the amounts of principal due on such dates, to the Registered Owners entitled thereto without any discrimination or preference.
- (b) If the principal of all the Bonds has become or has been declared due and payable, to the payment of the principal and interest then due and unpaid upon the Bonds without preference or priority of principal over interest over principal, or of any installment of interest over any other installment of interest, or of any Bond over any other Bond, ratably according to the amounts due respectively for principal and interest, to the Registered Owners entitled thereto without any discrimination or preference.

Section 6.06. <u>Bond Insurance Policy: Procedure for Payment Thereunder</u>. Payment of the Bonds may be insured to the Registered Owners by a Bond Insurance Policy hereby authorized, to be purchased upon the issuance and delivery of the Bonds.

If a Bond Insurance Policy is purchased to insure the Bonds, no provisions of this Debt Ordinance, the Debt Act or otherwise arising at law or in equity for the enforcement of claims by Registered Owners for the payment of either principal or interest in respect of the Bonds will be effectuated without the consent of the Insurer, so long as the terms of the Bond Insurance Policy are being fully met and satisfied.

In the event that the principal and/or interest due on the Bonds is paid by the Insurer pursuant to the Bond Insurance Policy, all covenants, agreements and other obligations of the Local Government Unit to the Registered Owners of the Bonds under this Debt Ordinance and under the Debt Act, shall continue to exist and will run to the benefit of the Insurer, who will be subrogated to the rights of such Registered Owners. Accordingly, the Sinking Fund Depository must abide and. follow all instructions of the Insurer for the prompt payment of the principal of and/or interest due on the Bonds to the Registered Owners, including provision of the Register to the Insurer, processing of checks or other remittances on behalf of the Insurer, collection of Bonds and notation of the Insurer's interest as subrogee within its records and on its books.

- (a) to cure any ambiguity, formal defect or omission in this Debt Ordinance;
- (b) to grant or confer upon the Sinking Fund Depository for the benefit of the Registered Owners of the Bonds any additional rights, remedies, powers, authority or security that may lawfully be granted to or conferred thereupon;

The consent of the Registered Owners for the particular form of any proposed modification or supplement is not necessary, if the consent approves the substance thereof.

Section 7.03. <u>Acceptance of Amendment</u>. The Sinking Fund Depository shall accept any amending, modifying or supplemental debt ordinance which the Local Government Unit is authorized to execute hereunder upon delivery of the following:

- (a) The amending, modifying or supplemental debt ordinance, duly executed with proof of filing with the Department; and

- END OF ARTICLE 7 -

ARTICLE 8 - DISCHARGE OF DEBT ORDINANCE

Section 8.01. If the Local Government Unit pays or causes to be paid unto the Registered Owners the principal of, the interest on and the premium, if any, on the Bonds, at the times and in the manner stipulated therein, then this Debt Ordinance and the estate and rights hereby granted will cease, determine and be void; and thereupon the Sinking Fund Depository will release, cancel and discharge the lien and obligations of this Debt Ordinance and deliver to the Local Government Unit any funds or documents at the time subject to the lien of this Debt Ordinance which may then be in its possession; provided, however, that until such time as full and complete payment is so made, this Debt Ordinance will be and remain in full force and effect.

- END OF ARTICLE 8 -

ARTICLE 9 - FEDERAL INCOME TAX COVENANTS

Section 9.01. Compliance in General. The Local Government Unit hereby states its intention to comply with all the provisions of Sections 103 and 141 through 150, inclusive, of the Internal Revenue Code of 1986, as amended (the "Tax Code"); the Local Government Unit represents and covenants that it has undertaken and performed, and will undertake and perform, or, as appropriate, discontinue, upon the instruction of Bond Counsel, all those acts necessary and proper to the maintenance of the exclusion from gross income of the interest on the Series A Bonds to the Registered Owners thereof conferred by those Sections, as interpreted by applicable regulations, rulings or other pronouncements of the Secretary of the United States Department of the Treasury.

Section 9.02. Not a Private Activity Bond; Taxing Powers. The Local Government Unit covenants that the Series A Bonds are not an issue: (1)(a) more than 10 percent of the proceeds of which are to be used for any private business use, and (b) the payment of the principal of, or the interest on, more than 10 percent of the proceeds, directly or indirectly, is (x) secured by any interest in property used or to be used for a private business use, or payments in respect of such property, or (y) to be derived from payments in respect of property, or borrowed money, used or to be used for a private business use; nor (2) the proceeds of which, in an amount exceeding the lesser of five percent of such proceeds, or \$5,000,000, are to be used to make or finance loans to persons other than governmental units.

The Local Government Unit certifies that it is a political subdivision and governmental unit with general taxing powers.

Section 9.03. Non-Arbitrage. The Local Government Unit covenants that no portion of the proceeds of the Series A Bonds is reasonably expected (at the time of issuance of the Series A Bonds) to be used, nor will intentionally be so used, directly or indirectly, (1) to acquire higher yielding investments, or (2) to replace funds which were used directly or indirectly to acquire higher yielding investments. This prohibition does not apply to proceeds invested in higher yielding investments (a) for a reasonable temporary period until such proceeds are needed for the purpose of the Series A Bonds, or (b) as a part of a reasonably required reserve or replacement fund. For these purposes, "higher yielding investment" means any investment property (generally, a security or debt obligation) that produces a yield over the term of the Series A Bonds which is materially higher than the yield on the Series A Bonds, but does not include any tax-exempt bond.

Section 9.04. Required Rebate. The Local Government Unit covenants to pay and rebate its arbitrage profits (being an amount equal to the sum of (1) the excess of (a) the amount earned on all nonpurpose investments over (b) the amount which would have been earned if the nonpurpose investments were invested at a rate equal to the yield on the Series A Bonds; plus (2) any income attributable to said excess [provided, further, that any gain or loss on the disposition of a nonpurpose investment will be taken into account] to the United States in accordance with the provisions of Section 148(f) of the Tax Code and regulations thereunder, but only as and to the extent that none of the following exceptions apply to the Local Government Unit.

Exceptions. For these purposes, "gross proceeds" means any proceeds and replacement proceeds of the Series A Bonds, "available construction proceeds" has the meaning used in \$148(f)(4)I(vi) of the Tax Code, "sale proceeds" means all amounts actually or constructively received from the sale of the Series A Bonds, except accrued interest on the Series A Bonds deposited to the Sinking Fund, and "nonpurpose investment" means any investment property acquired with the gross proceeds of the Series A Bonds and not required to carry out the governmental purpose of the Series A Bonds.

Section 9.05. <u>Information Reporting</u>. The Local Government Unit must prepare, or cause to be prepared, execute and submit to the Secretary IRS Form 8038-G (or 8038-GC, as applicable) according to all the requirements for information reporting contained in Section 149(e) of the Tax Code.

EXHIBIT B

Upon review and recommendation of R. Mark Gesalman, County Solicitor motion was made by Mr. Courtney and seconded by Mr. Anderson, opposed by Mr. Kopas. Motion passes to approve following item for the **Westmoreland County:**

(G) Resolution #R-14-2013 retaining an independent financial advisor; authorizing the termination of an existing Interest Rate Management Agreement relating to the series of 2003A bonds; authorizing the proper officers of the local government unit to execute and deliver a termination confirmation; providing for the termination payment due under the Interest Rate Management Agreement; authorizing the preparation of a transcript of proceedings to be filed with the Department Of Community And Economic Development; and authorizing the execution and delivery of other necessary documents and the taking of other necessary actions in connection with the foregoing.

COUNTY OF WESTMORELAND

RESOLUTION ADOPTED APRIL 25, 2013 #R-14-2013

RETAINING AN INDEPENDENT FINANCIAL ADVISOR; AUTHORIZING THE TERMINATION OF AN EXISTING INTEREST RATE MANAGEMENT AGREEMENT RELATING TO THE SERIES OF 2003A BONDS; AUTHORIZING THE PROPER OFFICERS OF THE LOCAL GOVERNMENT UNIT TO EXECUTE AND DELIVER A TERMINATION CONFIRMATION; PROVIDING FOR THE TERMINATION PAYMENT DUE UNDER THE INTEREST RATE MANAGEMENT AGREEMENT; AUTHORIZING THE PREPARATION OF A TRANSCRIPT OF PROCEEDINGS TO BE FILED WITH THE DEPARTMENT OF COMMUNITY AND ECONOMIC DEVELOPMENT; AND AUTHORIZING THE EXECUTION AND DELIVERY OF OTHER NECESSARY DOCUMENTS AND THE TAKING OF OTHER NECESSARY ACTIONS IN CONNECTION WITH THE FOREGOING.

WHEREAS, pursuant to Act 23 of 2003, the provisions of the Local Government Unit Debt Act (the "Debt Act") were amended to allow a "local government unit" to enter into qualified interest rate management agreements, after having approved an interest rate management plan; and

WHEREAS, on December 27, 2007, the Board of Commissioners (the "Governing Body") of the County of Westmoreland (the "Local Government Unit") enacted an Ordinance (the "Swap Ordinance") which adopted and approved an Interest Rate Management Plan dated December 27, 2007 (the "2007 IRMP"), and which authorized the entry by the Local Government Unit into a forward-starting, fixed rate payer/variable rate receiver, swap agreement constituting a Qualified Interest Rate Management Agreement under the terms of the Debt Act (the "2008 Swaption"); and

WHEREAS, such 2008 Swaption was recommended by the 2007 IRMP in order to better manage the Local Government Unit's interest costs relating to certain outstanding debt, being a \$35,850,000 portion of its then-outstanding General Obligation Bonds, Series of 2003A (being the portion of said Bonds scheduled to mature after June 1, 2013, but which are able to be called for optional redemption beginning June 1, 2013, the "Callable 2003A Bonds"); and

WHEREAS, the Swap Ordinance and the 2007 IRMP envisioned that, consequent upon an exercise by the Counterparty of the option to be granted in the 2008 Swaption (that is, to be able to cause an exchange of payments effective as of the Exercise Date of June 1, 2013), the Local Government Unit would, at such time, issue its Variable Rate Demand Refunding General Obligation Bonds, Series of 2013 (being defined therein as the "Bonds," but being referred to herein as the "Proposed VRDBs") for the purpose of refunding the Callable 2003A Bonds; and

WHEREAS, pursuant to the Swap Resolution, the Local Government Unit executed and delivered an ISDA Master Agreement, Schedule and Credit Support Annex dated as of January 14, 2008 (the "2008 Master"), and a Confirmation (Reference No. 350283pn) dated January 14, 2008 (the "2008 Confirmation", together constituting the legal documentation of the 2008 Swaption described above), all with DEPFA BANK plc (the "Counterparty"); and

WHEREAS, proceedings in respect of the 2008 Swaption were acknowledged for filing by the Department of Community and Economic Development ("DCED") on January 9, 2008; and

WHEREAS, on April 2, 2013, the Counterparty notified the Local Government Unit of its intent to exercise its option under the 2008 Swaption; and

WHEREAS, the Local Government Unit has taken notice, under current conditions in the financial markets, of the reduced availability of, and increased costs related to, credit and liquidity facilities, together with remarketing agency and other similar necessary costs of the market maintenance required for variable rate demand obligations of a type like the Proposed VRDBs; and

WHEREAS, for such reasons and others, VALCO Capital, Ltd. (the "Financial Advisor") has advised the Local Government Unit that it would be in its best financial interest in order to better manage the interest costs relating to the Callable 2003A Bonds to terminate the 2008 Swaption, by means of the execution and delivery of a Termination Confirmation (the "2008 Swaption Termination"), even though required to pay a termination payment (the "Termination Payment") in connection therewith; and

WHEREAS, the Financial Advisor has further advised and recommended that the Local Government Unit issue fixed rate bonds (the "2013 Bonds") in order to refund the Callable 2003A Bonds (for the purpose of reducing debt service over the life of the series), to finance the Termination Payment due upon execution of the 2008 Swaption Termination, and to pay certain costs, including costs of issuance of the 2013 Bonds related thereto; and

WHEREAS, the Local Government Unit has determined to follow the advice of its Financial Advisor; and

WHEREAS, the Local Government Unit desires to approve the 2008 Swaption Termination, and to approve and authorize such actions and the execution of such other documents as shall be necessary or appropriate to confirm the transactions authorized and described in this Resolution.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COMMISSIONERS OF THE COUNTY OF WESTMORELAND AS FOLLOWS:

- 1. <u>Appointment of Financial Advisor</u>. In accordance with the purposes and objectives of the Debt Act, the Local Government Unit hereby appoints VALCO Capital Ltd. as its Financial Advisor. The Financial Advisor is hereby determined to be independent as contemplated by the Debt Act.
- 2. <u>Termination of the 2008 Swaption</u>. Consistent with its goal to manage interest rate risks or costs relative to the Callable 2003A Bonds, the Local Government Unit hereby determines that if, when and immediately at such time as, the termination value of the 2008 Swaption is determined by the Financial Advisor, according to its own financial models and in communications with the Counterparty, to be equal to a value consistent with and in furtherance of the financial goals of the Local Government Unit described below, then the Local Government Unit ought to and shall exercise its option to terminate the 2008 Swaption at its then current market value, with such notice to the Counterparty and upon satisfaction of such conditions as may be set forth therein.

The Local Government Unit hereby determines that terminating the 2008 Swaption is in the Local Government Unit's best financial interest and does further its financial goals so long as (a) the Local Government Unit is advised by the Financial Advisor that the Termination Payment is fair and reasonable in the market at the time of such termination, and (b) the amount of the Termination Payment does not exceed \$10,500,000.00.

- 3. <u>Intention to Refund Callable 2003A Bonds; Application of Proceeds.</u> Consistent with the authorizations contained in the foregoing section, the Local Government Unit does hereby declare its intention to issue, sell and deliver the 2013 Bonds, in order to refund the Callable 2003A Bonds and to finance the Termination Payment, and, to that end, shall promptly enact a debt-incurring ordinance under the Debt Act as a legislative action companion to this Resolution. Upon issuance and delivery of the 2013 Bonds, a portion of the proceeds of the same shall be applied to the payment and refunding of the Callable 2003A Bonds, and a portion of the proceeds thereof shall be applied to either pay, or to reimburse the Local Government Unit for the payment of, the Termination Payment.
- 4. <u>Execution and Delivery of Documents</u>. The members of the Governing Body are hereby authorized to execute and deliver, in the name of the Local Government Unit and on its behalf, the following documents and to approve the final form and substance thereof, and any amendments or supplements thereto (subject to and consistent with paragraphs 2 and 3 above), such approvals to be conclusively evidenced by the execution thereof (including such amendments as may be required to assure compliance with the law), and the Chief Clerk is hereby authorized to affix to all of the following documents the seal of the Local Government Unit and to attest to the same, as necessary:
 - (a) The 2008 Swaption Termination; and
 - (b) Such other documents, agreements, instruments and certifications, as the executing officers determine to be reasonable and appropriate to provide for the transactions as authorized by this Resolution.

Copies of the foregoing documents, together with the other documents relating to the transactions authorized hereby, in final form as executed and delivered by the parties thereof, shall be filed in the official records of the Local Government Unit.

5. <u>Debt Act Proceedings</u>. The Chief Clerk, or Swap Counsel on her behalf, are authorized and directed to prepare or cause to be prepared, verify and file the proceedings required by Section 8284 of the Debt Act, and to take other necessary action, including necessary corrections to or reconciliations of DCED records in respect of the Local Government Unit's sundry debt and QIRMA proceedings.

The action of the proper officers and the advertising of a summary of this Resolution as required by law in a newspaper of general circulation, is hereby ratified and confirmed, and approved. The advertisement in said newspaper of the adoption of this Resolution is hereby directed within fifteen (15) days.

- 6. <u>Binding Effect to Covenants and Agreements</u>. All covenants, obligations and agreements of the Local Government Unit set forth in this Resolution and in the documents authorized hereby shall be deemed to be the covenants, obligations and agreements of the Local Government Unit to the fullest extent authorized or permitted by law, and all such covenants, obligations and agreements shall be binding upon the Local Government Unit and its successors from time to time and upon any board or body to which any powers or duties affecting the same shall be transferred by or in accordance with law. Except as otherwise provided in this Resolution, all rights, powers and privileges conferred and duties and liabilities imposed upon the Local Government Unit or the members thereof by the provisions of this Resolution or the documents authorized hereby shall be exercised or performed by such members, officers or other representatives of the Local Government Unit as may be required or permitted by law to exercise or perform the same. No covenant, obligation or agreement herein contained in any documents authorized hereby shall be deemed to be a covenant, obligation or agreement of any member, officer, agent or employee of the Local Government Unit in his or her individual capacity and neither the members of the Local Government Unit nor any officer executing any document authorized by this Resolution shall be liable personally thereunder or be subject to any personal liability or accountability by reason of the execution and delivery thereof.
 - 7. Counsel. Dinsmore & Shohl LLP is hereby appointed Swap Counsel with respect to the matters set forth in this Resolution.
- 8. <u>Further Action.</u> Any member of the Local Government Unit is hereby authorized and directed to execute such further documents and do such further things as may be necessary or proper to carry out the intent and purpose of this Resolution or any document herein authorized.
- 9. <u>Repeal of Inconsistent Resolutions</u>. All prior resolutions, particularly the Swap Ordinance, or parts thereof inconsistent herewith are hereby rescinded and repealed to the extent of such inconsistency.
- 10. <u>Statutory References</u>. All references to specific provisions of statutory law herein contained may be read and interpreted by reference to amended, successor or replacement laws, but only to the extent consistent with the intent and clear meaning of this Resolution.
- 11. <u>Benefited Parties.</u> Nothing in this Resolution, expressed or implied, is intended or shall be construed to confer upon, or to give to, any person or corporation, other than the Local Government Unit and the Counterparty, any right, remedy or claim under or by reason of this Resolution or any covenant, condition or stipulation hereof; and all of the covenants, stipulations, promises and agreements in this Resolution contained by and on behalf of the Local Government Unit shall be for the sole and exclusive benefit of such persons.
- 12. <u>Severability</u>. If any one or more of the covenants or agreements provided in this Resolution on the part of the Local Government Unit to be performed shall for any reason be held to be illegal or invalid or otherwise contrary to law, then such covenant or covenants or agreement or agreements shall be null and void and shall be deemed separable from the remaining covenants and agreements, but shall in no way otherwise affect the validity of this Resolution.
- 13. <u>Counterparts</u>. This Resolution may be executed in multiple counterparts, each of which shall be regarded for all purposes as an original; but such counterparts shall constitute but one and the same instrument.
 - 14. <u>Effective Date</u>. This Resolution shall take effect immediately.
