Help support your Westmoreland County parks and trails! Gifts from the Day of Giving fund new developments in our 10 parks and 5 trails, such as a dog park at Cedar Creek Park, acquisition of the Turtle Creek Railroad to build a hiking, biking and walking trail, as well as other great projects. We thank you for your past and continued support in keeping our Westmoreland County parks and trails "green!"

Your gift for Day of Giving for Reality Tour last year helped:

- Serve over 1,500 residents with the Reality Tour prevention experience
- Establish a 3rd Reality Tour site in Mt Pleasant area.
- Reach two new school districts
- Earn a nomination for the National Exemplary Program Award
- Be named to the 2013 list of top rated non-profits and charities
- Help develop the new Star Parent auto decal campaign. Decal given to parents who attend Reality Tour

The Reality Tour will be a participant in this year's Day of Giving event. Your help is urgently needed to stop drug abuse that has caused great pain to so many local families.

Your donations make it possible for families to experience Reality Tour and create a family bond for prevention.

Sincerely,
