

Human Services Block Grant Advisory Board

Westmoreland County was recently awarded the Human Services Block Grant for 2013-2014. This is a very positive development for all citizens of our County who use Human Services programs as it will afford us the flexibility to move funds in the seven categoricals to suit the needs of the County now and in the future.

The program categories affected include:

- **Mental Health Community Based Funded Services**
- **Behavioral Health Services Initiative (MH and D&A)**
- **Intellectual Disabilities Community Based Funds**
- **Child Welfare Special Grants**
- **Act 152 Funds (D&A)**
- **Homeless Assistance Program Funds**
- **Human Services Development Funds**

We'd like to invite you to have a voice in this important effort by joining the Human Services Advisory Board. The main role of the Board will be to recommend and advise the Department of Human Services Block Grant steering committee on apportionments of funding. The Board will consist of human services professionals, service providers, and consumers representing each Human Service program administered by the County.
