As far as old business, the Chief Assessor did a follow up on the Catastrophic Loss Appeal for Hutchinson and Gunter, Inc. **Tax Map Number: 50-21-06-0-063**. The reason it was denied was due to the property already receiving a 90% cat-loss depreciation last year. The Chief Assessor called the property owner to explain the decision. Additionally, he had visited the property and noted that all but a 50x60 section was razed, and currently sits on an adjoining parcel previously marked as vacant. Senior Assessor Casey Shoup will be handling the revision, which will result in two separate change-of-assessment notices. The Assessment Office will follow up on any future construction.

There was no new business to report.

There being nothing further to discuss, it was moved by Member Brown and seconded by Member Galbraith to adjourn the meeting. The motion was carried unanimously.
