Prior to joining the Coroner's Office Steve was employed by Lindsay-Jobe Funeral Home in Harrison City as a Licensed Funeral Director.

Steve was also previously employed in the emergency medical services field and public safety with Penn Township Ambulance and as Director of Public Safety at Westmoreland Mall.

Steve assumes the vacant position of Deputy Coroner Joshua Zappone who passed away in November of 2022 after serving 13 years as a Senior Investigator.

“After completing a lengthy interview process with several qualified candidates, I feel Steve is going to be a tremendous asset to the office and will represent this office with pride and honor just as Josh had over the past 13 years.” Coroner Carson said.
