**Purchaser will receive a quit claim deed at closing. If desired, title insurance is the responsibility of the purchaser.**

**All property is sold AS IS; however, the Westmoreland County Land Bank may require a development agreement with the purchaser to guarantee that the proposed renovations/improvements are completed to Westmoreland County Land Bank standards outlined in the Land Bank Policies & Procedures Additional Requirement section:**

- (a) As a condition of transfer of an improved or unimproved parcel, the transferee must enter into an agreement that the parcel is not subject to sale, subdivision or partition within a five-year period following the date of the transfer.
- (b) In the event that multiple adjacent property owners desire to acquire the same side parcel, the improved or unimproved parcel shall either be transferred to the highest bidder for the property. An unimproved parcel may be divided and transferred among the interested contiguous property owners; the cost of the subdivision shall be borne by the property owners.
- (c) The improved or unimproved parcel must remain a separate parcel for assessment purposes so the WCLB may benefit from tax recapture going forward.
- (d) As a condition of transfer, should the transferee require one or all of the reversionary requirements to be waived, a fee equal to 3.5% for owner-occupied residential and 7% for non-owner occupied residential, multi-residential, commercial and/or industrial, will be assessed to the fair market value of the properties.
