

Will you join our Women Veterans Design Team?

What is a Design Team?

We are looking for Women Veterans to join our Women Veterans Design Team! We need **YOU** to share your experiences and perspectives about what it's like to be a Woman Veteran in Southwest PA. As a Design Team member, you will participate in human-centered design activities to help inform and develop programs and events that will serve Women Veterans in our region. The Design Team will focus on the development of programs, services, collaborative partnerships, and processes and methods for implementation.
