

Do you...

- ☞ Need to improve your reading, writing, or math skills?
- ☞ Need to get your High School Equivalency (HSE) to get a job, get a better job, keep a job, or attend a post-secondary program?
- ☞ Have a high school diploma, but need to build your skills to enter a career or attend a post-secondary program?
- ☞ Have an interest in exploring career pathways available in this area with the potential for earning family sustaining wages?

Our Adult Education classes are **FREE** to any Pennsylvania resident.

All classes require an orientation.

Please call the site for orientation dates and times.

Types of classes offered:

Adult Basic Education (ABE) – This program offers an introduction to fundamental skills in reading, English, math and career exploration. This class provides the foundation for **GED**[®] preparation and introduces career pathways opportunities for employment and post-secondary training.

English as a Second Language (ESL) – This class offers English Language Learners the opportunity to build reading, writing, listening, and speaking skills.

High School Equivalency (HSE) Prep – This course provides preparation for the **GED**[®] or **HiSET**[®] test and opportunities to explore several career pathways with a focus on obtaining entry-level employment or entering a post-secondary training program.

Literacy (LIT) – This class provides the foundation for developing basic literacy and beginning math skills.

TEAS – This class prepares you to enter a career in the health field. Preparation for entrance exams will be provided along with improvement in reading, writing, and math skills. Specialized career pathways are explored.
