# Fall Building Blocks Early Learning Conference

Friday, November 1, 2019

**Westmoreland Intermediate Unit**  
102 Equity Drive – Greensburg PA

**The Surprising Ways Nutrition  
Improves Development,  
Behavior and Mood**  
*what therapists, parents & caregivers  
should know to optimize  
childhood outcomes*

**Kelly Dorfman, M.S., LND**

Ms. Dorfman is a licensed clinical nutritionist that specializes in targeted nutrition therapy to address complex medical problems, especially in children. ***Cure Your Child With Food***, her awarding winning book about the surprising ways nutrition impacts common childhood ailments, is published in 8 languages.

Kelly lectures internationally and has been featured on numerous television programs and in periodicals including CNN's ***American Morning***, the *Wall Street Journal*, the *Washington Post* and *Oprah* magazine. She is on the advisory board of the Gateway School of Mumbai, one of the few comprehensive educational programs in India for children with autism and cognitive challenges. She teaches at John Hopkins University as an adjunct faculty member.

**Local Interagency Coordinating Council of Westmoreland County**

in partnership with:

Training Together (formerly PAEYC-Pittsburgh Association for the Education of Young Children)
