

REQUEST FOR INTERNET ACCESS

Brief Statement of Problem

Why is internet access needed and what type of information will be accessed?

Agencies that provide that information

Staff who require access

County ID number(s)

Expected benefits from automated services

Indicate how Internet access will benefit your department/county and if it is required by agencies you deal with.

Identify any costs savings, improvements in services, etc. that could result from this access.

Urgency

If applicable, indicate date you need to have Internet access. (Allow up to two months for request to be processed for approval).

Department Head

Senior Executive or Elected Official

**Send the completed form to: David Ridilla, CIO
Information Systems Department**
