### *Independent Auditor's Report*

Magisterial District Judge Helen Kistler  
Magisterial District Court 10-2-03  
1012 Station Street  
Harrison City, PA 15636

Dear Judge Kistler:

We have audited the Statement of Assets, Liabilities and Undisbursed Receipts- Modified Cash Basis, of Magisterial District Court 10-2-03 as of December 31, 2020, and the related Statement of Cash Receipts, Disbursements and Balance-Modified Cash Basis for the year then ended, as listed in the Table of Contents, and the related notes to the financial statements

#### *Management's Responsibility for the Financial Statements*

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting as described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### *Auditor's Responsibility*

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Magisterial District Court 10-2-03's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Magisterial District Court 10-2-03's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

***Opinion***

In our opinion, the financial statements referred to above present fairly, in all material respects, the Statement of Assets, Liabilities, and Undisbursed Receipts-Modified Cash Basis, of the Magisterial District Court 10-2-03, as of December 31, 2020 and its Cash Receipts, Disbursements, and Balance-Modified Cash Basis for the year then ended on the basis of accounting as described in Note 1.

***Basis of Accounting***

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. These financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

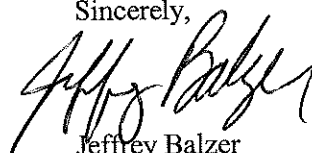

***Other Reporting Required by Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated September 30, 2021 on our consideration of Magisterial District Court 10-2-03's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

***Other Matters***

As discussed in Note 1, the financial statements present only the Magisterial District Court 10-2-03's agency fund activity for the year ended December 31, 2020, and is not intended to be a complete presentation of the Magisterial District Court 10-2-03's financial position or results of operation on the modified cash basis of accounting.

Sincerely,

Jeffrey Balzer  
County Controller

Note # 1: Nature of Entity and Summary of Significant Accounting Policies

The Reporting Entity-The financial statements present only the agency fund account of the Magisterial District Court office for the year ended December 31, 2020 on the modified cash basis of accounting, and is not intended to be a complete presentation of the Magisterial District Court's financial position or results of operation on the modified cash basis of accounting.

Disbursements, which include payments to the Pennsylvania Department of Revenue, Westmoreland County Treasurer, local municipalities, serving costs, restitution, etc., are recorded when paid, rather than incurred.

The Magisterial District Court recognizes undisbursed receipts held for future payment to individuals and taxing entities, when cash is received.

Note 2: Scope of the Examination:

The scope of our audit did not include a sufficient examination of the Comprehensive Statewide Automated Magisterial District Judge System, which was implemented by the Administrative Office of the Pennsylvania Courts in the Magisterial District Judge office in 1992, which was updated in 2010, to enable us to, and we do not, express an opinion on the Comprehensive Statewide Automated Magisterial District Judge System.

Magisterial District Court 10-2-03  
Independent Auditor's Report on Internal Control over Financial Reporting  
and on Compliance and Other Matters  
Based on an Audit of Financial Statements Performed in Accordance with  
*Government Auditing Standards*

September 30, 2021

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the Magisterial District Court 10-2-03, as of and for the year ended December 31, 2020, and the related notes to the financial statements, and have issued our report thereon dated September 30, 2021.

### **Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the Magisterial District Court 10-2-03's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Magisterial District Court 10-2-03's internal control. Accordingly, we do not express an opinion on the effectiveness of Magisterial District Court 10-2-03's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statement(s) will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses, or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Independent Auditor's Report on Internal Control Over Financial Reporting  
and on Compliance and Other Matters  
Based on an Audit of Financial Statements Performed in Accordance with  
*Government Auditing Standards*  
(Continued)

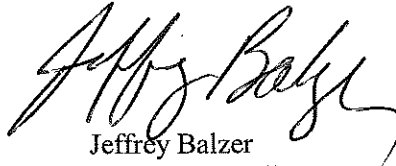

**Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Magisterial District Court 10-2-03's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

**Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Magisterial District Court's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Magisterial District Court's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Sincerely,

Jeffrey Balzer  
County Controller
