#### A. General Information:

The Redevelopment Authority of the County of Westmoreland (RA) is requesting proposals from qualified certified public accounting firms to audit its financial statements for the fiscal years of 2021, 2022, and 2023. This audit is to be performed in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, and (if applicable) the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). A single audit has not been necessary to date and is not expected to be required during 2021.

There is no expressed or implied obligation for the RA to reimburse responding firms for any expense incurred in preparing proposals in response to this request.

**To be considered, one (1) copy of a proposal must be received by the Redevelopment Authority of the County of Westmoreland, Fifth Floor, Suite 520, 40 North Pennsylvania Avenue, Greensburg, PA 15601 by 4:00 PM (Prevailing Time), on October 19, 2021. The RA reserves the right to reject any or all proposals submitted.**

During the evaluation process, the RA reserves the right, where it may serve the RA's best interest, to request additional information or clarifications from proposers, or to allow corrections of errors or omissions. At the discretion of the RA, firms submitting proposals may be requested to make oral presentations as part of the evaluation process.

The RA reserves the right to retain all proposals submitted and to use any ideas in a proposal regardless of whether that proposal is selected. Submission of a proposal indicates acceptance by the firm of the conditions contained in this request for proposals, unless clearly and specifically noted in the proposal submitted and confirmed in the contract between the RA and the firm selected.

It is anticipated the selection of a firm will be completed by November 1, 2021. Following the notification of the selected firm it is expected a contract will be executed between both parties by the end of November.

#### B. Term of Engagement:

A three (3) year contract is contemplated for calendar years 2021, 2022 and 2023 with a possible extension if year 2023 rates are held for subsequent years.

#### C. Subcontracting:

Firms submitting proposals are encouraged to consider subcontracting portions of the engagement to small audit firms or minority or women owned firms. If this is to be done, that fact, and the name of the proposed subcontracting firms, must be clearly identified in the proposal. Following the award of the audit contract, no additional subcontracting will be allowed without the express prior written consent of the RA.

## II. NATURE OF SERVICES REQUIRED

### A. General:

The RA is soliciting the services of qualified firms of certified public accounts to audit its financial statements for the calendar years 2021, 2022 and 2023. These audits are to be performed in accordance with the provisions contained in this Request for Proposals.

### B. Scope of Work to be Performed:

The RA desires the auditor to express an opinion of the fair presentation of its general purpose financial statements in conformity with generally accepted accounting principles. The auditor shall also be responsible for performing certain limited procedures involving required supplementary information mandated by the Governmental Accounting Standards Board in accordance with auditing standards generally accepted in the United States of America. The auditor is not required to audit the schedule of federal awards, if a single audit is necessary. However, the auditor is to provide an "in-relation-to" report on that schedule based on the auditing procedures applied during the audit of the financial statements.

### C. Auditing Standards to be Followed:

To meet the requirements of this request for proposals, the audit shall be performed in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, and (if applicable) the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). 3. An "in-relation-to" report on the schedule of federal awards, if applicable.
4. A report on compliance for each major program and on internal control over compliance required by the Uniform Guidance, if applicable.

A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

The reports on compliance shall include all material instances of non-compliance.
