

WESTMORELAND COUNTY PARKS & RECREATION CITIZENS ADVISORY BOARD

FELLOWS PROGRAM HISTORY 2004-PRESENT

As a way to thank all of the wonderful individuals, groups, foundations, and businesses that have supported the CAB, we created the "Fellows Program" in 2004. It is based on cumulative giving, not annual giving; Fellows could have reached this donation level with one gift given in the past year, or with multiple smaller gifts, given over several years.

Below are all of our Fellows, listed at their highest level of giving to-date. All of the great success that the CAB has experienced over the years is due in large part to them!
