

FirstEnergy's Power Systems Institute

Get ready for a career that reaches new heights.

With the right grades, a positive attitude and good field work, you could graduate from **Westmoreland County Community College or Pennsylvania Highlands Community College** with a two-year Associate of Applied Science degree in Electric Utility Technology and be on your way to a career in the electric utility industry.

Come to an information session to find out about enrolling in **FirstEnergy's Power Systems Institute (PSI) fall 2016 program** at Westmoreland County Community College or Pennsylvania Highlands Community College. **Tuition, required books and lab fees paid by FirstEnergy for qualified students.**
