

# Tree Donation Program

- Order Form -

*Keep our Parks beautiful by purchasing a tree!*

The beautiful Ash Shade Trees at our Parks are quickly dying off due to an insect called the Emerald Ash Borer. Cedar Creek and Northmoreland Parks have both lost many shade trees, and trees are beginning to die at Mammoth and Twin Lakes.

We need to replace these beautiful shade trees and you can help!

Help keep our Westmoreland County Parks "green" by purchasing a tree!

Trees are a natural enhancement to our parks and provide cool shade and beauty to all visitors. Trees will be planted in the Fall and Spring and the Parks staff will obtain and plant the tree in a spot where it is most needed at the Park of your choice.

The Tree Donation Program is administered by the Westmoreland County Parks and Recreation Citizens Advisory Board (CAB). The CAB is a 501(c)(3) non-profit organization; therefore all donations are tax-deductible.

*Tree Donations are \$150*

Make all checks payable to:  
**W.C.P.R.C.A.B.**
